Explore the exciting worlds of obedience and rally events!

Accredited by the American Kennel Club in 1976, DOCG has active members primarily in the Greenville - Spartanburg - Asheville - Anderson areas, though some are from as far as Columbia, Aiken, and Atlanta.

Our training levels in obedience begin with Pre-Novice (just starting out), and progress through the regular classes (Novice, Open and Utility) all the way to Obedience Trial Champion. Likewise, we go from Rally Novice (beginners) to Rally Advanced and Rally Master.

We offer informal training days in different locations, and host AKC obedience and rally trials in March, July and October each year. Our trials are well attended by exhibitors from throughout the entire Southeast US, and are respected as among the very best shows in the country!

All of our members are helpful, knowledgeable, and are most willing to share their training ideas.
